

## The Oxbow School WHAT TO BRING TO OXBOW

The Oxbow School promotes a philosophy of artistic, intellectual, and social robustness. We believe that excessive material clutter distracts from the core objectives of personal, creative, and academic growth. As a result, we strive to minimize the amount of consumption and waste on institutional and personal levels. While packing for your semester at Oxbow, please keep these principles in mind.

Oxbow provides basic cleaning supplies throughout the semester (trash bags, compost bags, multipurpose cleaner, vinegar etc.). However, certain cleaning supplies (paper towels, hand soap, gloves, etc.) are only supplied at the start and end of each semester. All these items will be detailed to students upon arrival at orientation and it will be made clear what is provided during certain times. If a student wants to acquire additional or different cleaning supplies (laundry supplies, specific cleaners needed for health reasons, etc.) they must purchase those on their own.
